

The Environmental Safe Solution to Cleaning™

BIO BASE GUNK & GRAFFITI REMOVER

Description: MAGIC 555™ **BIO BASE GUNK & GRAFFITI REMOVER** is a next generation formula using bio based solvents that are safe alternatives to highly flammable, toxic or petroleum hydrocarbon solvents, corrosive chemicals. It is non-toxic, VOC compliant, biodegradable product specifically formulated and designed to remove easily gunk materials from metal surfaces and most difficult marks, stains from many surfaces. Cleans faster, easier more economical than any products available in the market. This soy and corn bio-based graffiti remover is formulated using a gel technology that allows the product to cling to vertical surfaces to enhance performance and minimize water runoff. Can be used on all types of metals, glass, cement, concrete, porcelain, stone, tile, desk tops and most baked on enamel surfaces and delivers effective results without using harsh chemicals

Features

- Made with safe ingredients from soy and corn bio base lactates, methyl soyate.
- Contains No Hazardous Solvents(i.e. methylene chloride tetrachloroethylene) Nonylphenol Ethoxylate, 2-Butoxyethanol, Ethylene glycol monobutyl ether, NMP Aromatic solvents, Benzyl alcohol, Acetone Potassium hydroxide
- Low VOC - improves working condition that increase Productivity

Advantages

- ◆ Tough on grease, grim and stubborn soil.
- ◆ EPA complaint & Eco Logo certified – contains no hazardous chemicals
- ◆ Safe to Humans, Environment and surfaces to be clean.
- ◆ Unique, powerful technology dissolves carbon, grease, oil, dirt's, grime removing gunk materials from various material surfaces faster reducing cleaning time by 70% and minimize water runoff.

Specification

- Rinsability: Good- Excellent
- Biodegradability: Complete
- Color: Light Yellow
- Odor: Fragrance Free
- pH: N/A, Viscosity: Semi-gel
- Flash Point (TCC): 227° F
- Storage/Stability: 1 year
- Weight Per Gallon: 8.12 lbs./gal.

Simple & Easy Application

Apply to the surface to be cleaned using brush, roller, cotton cloth rag or dip parts in the MAGIC 555™ solution, allow to penetrate for several minutes. For heavier soil, agitate briskly with a brush, roller or cloths. For normal cleaning allow MAGIC 555™ to do the work. Wipe clean with a moist rag, sponge, mop or wet vac. Rinse thoroughly with water. Always test in a small area first. Avoid contact with eyes.

Convenient Packaging

1 Gallon Container, 5 Gallons Container,
55 Gallons Drum
