MAGIC 555™

P & D Creative Co., Inc

The Environmental Safe Solution to Cleaning™

METAL & ENGINE PARTS CLEANER

DESCRIPTION

MAGIC 555™ METAL & ENGINE PARTS CLEANER is a water-based cleaner specially design to replace toxic hazardous solvent base cleaners. Super tough on heavy grease, grime, oil and tar contamination of engines, heavy machine parts and industrial equipment. **MAGIC 555™ METAL & ENGINE PARTS CLEANER** penetrates and breaks-up oil, grease, dirt with a unique power of lifting and separating from the soiled surfaces. Ideal for industrial machine and general metal cleaning and delivers effective results without the use of any harsh chemicals like caustics, acids, enzymes or solvents, unlike other petroleum or caustic/acid based cleaners. **MAGIC 555™ METAL & ENGINE PARTS CLEANER** eliminates worker safety problems and the hazards associated with the storage or disposal.

FEATURES

- Contains No Hazardous Acids, Caustics or Solvents
 - Non toxic - improves working condition that increase productivity
 - Hard and soft water soluble
 - Non - Hazardous - Safer to ship and store
 - Highly Concentrated - Very Economical
- | | |
|----------------------------|---------|
| General Metal Cleaning - | 1 to 5 |
| Heavy Equipment Cleaning - | 1 to 2 |
| Engine/Machine Parts - | 1 to 10 |
| Pressure Washer - | 1 to 30 |

ADVANTAGES

- Powerful as a solvent
- EPA complaint with no VOC's
- Replaces trichloroethane, Diesel, Actetone, Kerosene and other solvents
- Safe to Humans, Environment and surfaces to be clean
- Water soluble, easy to use and store
- No damage to equipments, machine parts.
- Unique, powerful technology dissolves carbon, grease, oil, dirt's, grime fast reducing cleaning time by 50%

SIMPLE & EASY APPLICATION

Dilute with water as per the chart depending on the job requirements. Apply to the surface to be cleaned and allow to penetrate. For heavier soil, agitate briskly with a brush or aggressive pad. For normal cleaning allow **MAGIC 555** to do the work. Wipe clean with a moist rag, sponge, mop or vac. Rinse thoroughly with water. Avoid contact with window or glass surfaces.

CONVENIENT PACKAGING

1 Gallon Container, 5 Gallons Container, 55 Gallons Drum
